Maths Knowledge Organiser

Spring 1

Heathfield Primary School — Learning Together, Learning for Life

Which pictures show 3?

We will begin counting using real life objects, starting with identical objects before counting with objects that have slight differences.
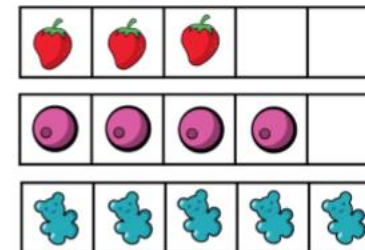

We will also begin by counting objects in a line so we have a clear starting and end point.

Key Vocabulary

five frame	Used to make counting simpler
numicon	A resource used to help children visualise numbers
stable order	The understanding that numbers have to be said in a certain order

A bar chart to show favourite

Favorite Pets

Pet	Tally Marks	Number
cat	ⵌ ⵌ	10
dog	ⵌ	4
hamster	ⵌ	6

We create charts to answer questions about number

1 2 3 4 5
