

## Year 2 – Term 1 Homework

Please complete one piece of homework each week and bring your book in **every Wednesday** to be marked. Try and have a go at some of the challenges!

Literacy	Numeracy	Learning Challenge - History	Science
<p>Retell a traditional tale. Make sure you have a beginning, middle and end. You can draw pictures throughout the story.</p> <p><u>Challenge: Give a character a repetitive phrase – eg 'Fee,Fi,Fo,Fum'</u></p>	<p>Choose three numbers from the numbers below. Make four numbers from them and order them from smallest to largest.</p> <p style="text-align: center;">4    5    6    8</p> <p>Eg - 545, 654, 685 .....</p> <p><u>Challenge: add 1,10 and 100 onto your chosen number.</u></p>	<p>Make a model of a burning house from the time of the Great fire of London.</p> <p><u>Challenge: Find out what the houses were made from.</u></p>	<p>Look around your home for objects. Draw the object and label it with the material it is made from.</p> <p><u>Example:</u></p> <div style="display: flex; align-items: center;"> <div style="margin-right: 10px;">wood</div> <div style="margin-right: 10px;">—</div> <div style="margin-right: 10px;">plastic</div> <div style="margin-right: 10px;">—</div> <div style="margin-right: 10px;">metal</div> </div>  <p><u>Challenge:</u></p>
Literacy	Numeracy	Art	Science
<p>Write some questions that you would like to ask a character from a traditional tale.</p> <p><u>Challenge: Use information from the book in your questions.</u></p>	<p>Using greater than and less than. Compare some three digit numbers.</p> <p>Eg 435 is greater than 174</p> <p><u>Challenge: Use the symbols &gt; and &lt; when comparing them</u></p>	<p>Draw or paint a firework picture using primary colours (red, yellow and blue)</p> <p><u>Challenge: find out what colours you can make by mixing primary colours.</u></p>	<p><u>Challenge:</u></p> <p>Why do you think some objects are made from certain materials?</p>

Please practise the two times tables and your spellings every week.
