

Heathfield Primary School **Home-School Agreement**

At Heathfield Primary School we believe that children learn most effectively when there is a strong supportive partnership between home and school. So that we are clear about what home and school expect in order to support each other, we ask you to enter into an agreement.

As a school we will-

- Provide a safe, caring, stimulating environment;
- Deliver a challenging programme of study appropriate to the children's needs;
- Welcome parents into school to share information;
- Inform parents of children's individual targets and their progress towards them;
- Let parents know of any concerns with regard to attendance, punctuality, attitudes or behaviour that might affect their child;
- Create an atmosphere that encourages children to pursue healthy lifestyles;
- Provide opportunities for children to take an active part in decision making processes in school;
- Provide opportunities for children to become actively involved in their community and the environment;
- Nurture children's aspirations and encourage them to follow their dreams;
- Give opportunities for parents to feed back to us via surveys and thorough monthly parent forum meetings

As a family we will-

- Encourage positive attitudes to learning;
- Ensure children get sufficient sleep, attend regularly, are punctual and are dressed in full school uniform;
- Support school's policies;
- Encourage children to be well mannered, mindful of the effect their behaviour might have on others, to be a friend to others and to treat adults with respect;
- Read regularly with our children;
- Attend parent's meetings and take a positive interest in the life of the school as a whole;
- Inform school of any change of circumstances which might affect our child in any way;

As pupils we will-

- Co- co-operate with others, be honest, show respect and understanding and be caring to everyone within the school;
- demonstrate good behaviour at all times both in school, on the playgrounds and travelling to and from school through the local community;

- arrive on time with equipment needed for that day;
- complete all given homework needed for that day;
- always do our best in everything we do at school.
