

History: How would you survive Ancient Egypt today?

What should I already know?

I know about recent British history and impact these periods have had on my life today i.e. transport, monarchy, heroes, Tudors, technology and The Great Fire of London. We have learned about legacies that are alive today, significant people and events homes, technology and the British monarchy.

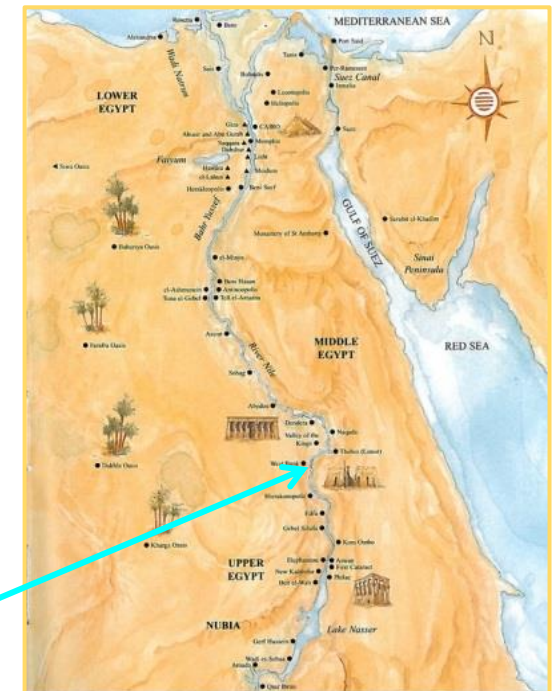

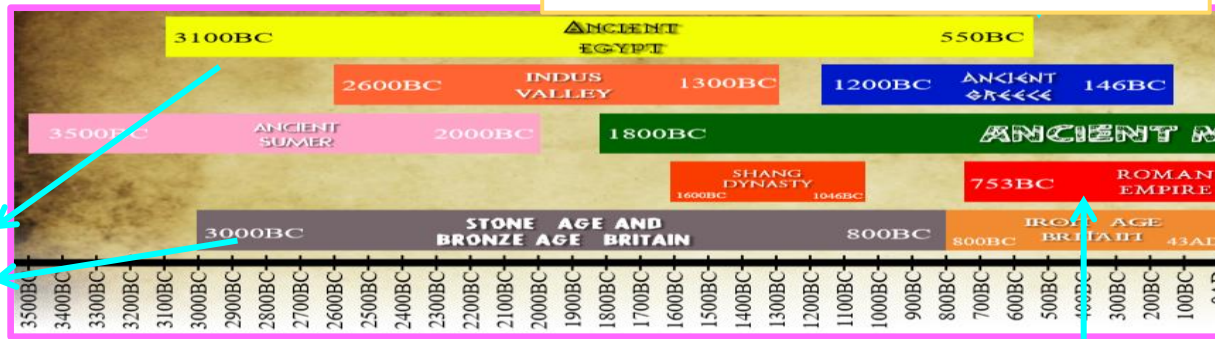

Pharaohs	Archaeologist	Pyramid	Hieroglyphics	Tomb	Mummification	Sphinx
The supreme leaders of the land. These could either be Kings or Queens.	People who discover our history by looking at artefacts that have been found	A four-sided structure that was built by the Egyptians.	A system of writing that used pictures and symbols instead of letters and numbers	A place where a body would be buried or laid to rest. These were usually reserved for important people and include details of their lives painted on the walls.	Preserving the skin and flesh of a body by embalming it and drying it out.	A mythical being that had the body of a lion or cat and the head of a human.
						

Egyptian Legacies

- Invented writing.
- Hieroglyphics
- Great Pyramid
- Mummification
- Religion

The pyramids and the Stonehenge were built at similar times

Egypt was conquered by the Greeks; Alexander the Great.

Egyptian Monarchy

Pharaohs were supreme leaders
Pharaohs were buried in pyramids or in tombs
Tutankhamen was known as the boy king
Cleopatra was the last pharaoh

Cairo is the capital of Egypt.

The River Nile is the longest river in the world.

People settled near the Nile as it was a useful source of water (used for drinking, washing, watering crops)
