

### Artist:

We will be practising line drawings and shading skills, based around the theme of autumn and winter. We will also study Andy Goldsworthy and his techniques, producing our own nature inspired pieces of art.

### Scientists:

Materials - we will be sorting materials based on their properties, through grouping and investigation.

Seasonal change - we will explore the changes through the 2 seasons; autumn and winter. We will also create pieces of art to represent each season.

### Historians:

We will be learning about the history of transport, comparing and contrasting old and new modes of transport. This will incorporate a study on the famous Wright Brothers and Amy Johnson.

### Showcase:

Share our learning with Reception children by creating a fact file for the history of transport

### Prime Learning Challenge:

Where did the wheels on the bus go?

UN Links: Article 13 - Every child must be free to say what they think and to seek and receive information of any kind, as long as it is within the law.

### Geographer:

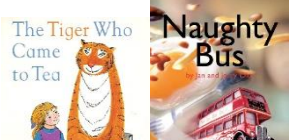

We will be carrying out a study of our local area involving drawing a map of the school grounds, going on a local walk and identifying features. We will also locate Bolton and

UK on a map and explore using directional and positional language.

### Reader:

We will be reading a range of texts this term including fiction and non-fiction. We will focus on The Tiger Who Came to Tea, Naughty Bus, The Jolly Postman and many others.

### Linguist:

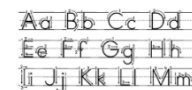

As linguists, we will be exploring how to retell stories orally using story maps. We will also be creating character speech, considering feelings.

### Writer:

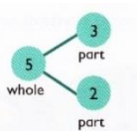

We will be writing a range of sentences, building up to writing longer pieces. We will particularly focus on:

- Letter formation
- Sentence structure
- Capital letters, full stops
- Spaces between words

### Mathematicians:

This term in maths we will be studying numbers to 20 including place value, number bonds, addition and subtraction. We will also learn about the properties of 2D shapes

### Modern Foreign Language: Spanish

As part of our whole school Spanish day, we will learn about the Spanish culture including where it is, Spanish food and dance.

### Religious Education:

As part of our RE this term, we will be looking at Christianity. We will be learning about:

Who created the world

Why we should look after our world

What is special to us

All about Christmas

### Physical Education:

We will be using Key PE Sports to plan and deliver PE. We will be learning to develop speed, agility and quickness. We will also improve our core strength by exploring balance and different ways to move (e.g. crawling, rolling)

### Music:

We will be using the Charanga music scheme to plan and deliver music. Year 1 will be listening to and appraising a range of music including rap and reggae. We will learn to use vocabulary such as pulse, beat and pitch, as well as using different instruments to express the music genre.

### Character Development:

As part of our focus book this term 'Naughty Bus', we will be learning how to be a positive role model to others and showing Naughty Bus how to be good! We will also explore what it means to persevere and practise trying things again when they are not quite right.

### Designer:

We will be evaluating existing products, plan designing and making our own toy moving vehicles. We will use a variety of different materials and will practise different joining methods.
