Learning together, Learning for Life***

Chair of Governors	Zulfi Jiva
Headteacher	Mark Thornley
Policy written by	Mark Thornley
Date approved by governors	October 2021
Date of next review	October 2022
Committee Responsible	Finance And Resources

ADMISSIONS AND APPEALS POLICY

RATIONALE

The Governors of Heathfield wish to balance the number of children in each class with the number of children to make the school financially viable. It is the aim of the governing body to keep the class sizes as small as possible.

CLASS SIZES

1. The school will operate within its capacity of thirty places in each year group for years reception - 2. This conforms to government legislation that no infant class size must exceed 30, with the exception of overcrowding to accommodate LAC pupils as directed by LA.
2. The school will operate as close to its capacity of thirty places in year groups three – six in order to best meet the needs of all children.
3. Our two year old provision; *Heathfield, First Steps* has twelve morning and twelve afternoon places, as there is sufficient floor space for this number. We will not exceed twelve with the current floor space. Our ratio is 1:4 for children to enter First Steps in the term after their second birthday.
4. Our nursery provision is for children from the term after their third birthday. This is for the universal offer of 15 hours, and for parents who are eligible to access 30 hours funded places.

GUIDELINES FOR ADMISSIONS FOR EARLY YEAR PROVISION; FIRST STEPS AND NURSERY

First Steps – Two Year Olds

The priority is for funded families according to the DFE's eligibility criteria. Eligibility is based on families getting one of the following;

- Income Support
- Income based job seeker's allowance
- Support through part 6 of the immigration and asylum act
- The guaranteed entitlement for state pension credit
- Child tax credit (but not working tax credit) and an annual income not over £16 190
- The working tax credit 4 week run on (the payment you get when you stop qualifying for working tax credit)

Children looked after by the local council are also entitled to a place.

Proof of this entitlement must be taken to a local children's centre, ie Alexandra Children's Centre, who will provide a letter to bring in to the school office. You must bring this form along with our child's birth certificate to the school office.

Where we are not full, a small number of charged places may be opened to other families interested in provision. These are allocated according to **both** criteria below:

- Sibling link and
- Age of child, oldest first according to term of birth.
- No children will be taken into First Steps until the term after they have turned two.

Nursery – Three Year Olds – Universal Offer

All children are eligible for 15 funded hours from the **term after their third birthday**.

Children can be registered for places at the school office. Where there is a waiting list for places, we will allocate places based on;

- Looked After Children or Children who have siblings in school

- Any children who have a medical reason for attending Heathfield rather than any other school.
- Sibling link
- Child attended First Steps provision at Heathfield
- Age of child, oldest first according to the term of their birth
- Distance from school

Nursery - Three year olds – 30 hours

At Heathfield, we deliver on the DfE's policy of providing 30 hours funded childcare. In our commitment to offering these full time places, we do not want to disadvantage children who already attend Heathfield, but whose families would not be eligible for the full time places. This means that we intend to offer a combination of full time and part time places to cater for the different families in our community.

Pupil Numbers

We will continue to operate the same statutory ratio of 1:13 for all of our sessions. Over lunchtime, when the teacher is not present, this ratio increases to 1:8. This gives us the following capacity;

Session capacity 26 places for morning and afternoons =

16 x full time places created for eligible children based on admission priorities

10 x morning places remaining for universal 15 hours

10 x afternoon places remaining for universal 15 hours

Admission criteria

Where applications for places exceed our admission numbers, the following criteria will be applied in order;

- Statutory eligibility
- Children with a statement of special need
- Foster children
- Current pupils eligible for the next academic term
- Sibling Link
- Child attended First Steps provision
- Actual DOB
- Distance from school

Guidelines for Admission Reception – Year 6

Admissions for reception are dealing with through Pupil and Student Services through the local authority and applications can not be made directly through the school. Student services can be contacted on 01204 332143

The school will accept children into Reception class based on the following criteria.

From the names held on the waiting list;

1. Looked After Children or Children who have siblings in school will be offered a place in the reception class or throughout the school.
2. Any children who have a medical reason for attending Heathfield rather than any other school will be offered a place.

3. Any spare capacity when these criteria have been applied will be filled by children who are in the closest proximity to school.

This selection process will take place in the spring term of the academic year preceding the September admission date.

Any children who have not been admitted to the school will be informed as soon as possible to enable them to find an alternative place at another school.

Heathfield is unable to accept any children which will take the reception class and Key Stage 1 class size over thirty.

In other classes, once the admission limit has been reached, the Headteacher will refuse any further children based on providing the best educational experience for the children currently attending the school. This is based on classroom size, teaching capacity and resources available. We also consider the individual context of each class involved.

If parents are not satisfied with this decision, they have the right to appeal to the independent schools admission panel who will listen to the case of the parent and school and decide where the child should be placed.

For application forms for our Early Years provision, please contact the school office on:
01204 333595.
