

Nursery Knowledge Organiser

Autumn 2

Quality Texts we will cover this half term...

We will be looking at the sequence of stories and how they are structured...

| Key Vocabulary | |
|-----------------|--|
| story structure | The way in which a story is organised, including characters and settings |
| setting | The environment or surroundings where the story takes place |
| autumn | The season after summer and before winter when leaves begin to fall from trees |
| living thing | Something that can grow, breathe and reproduce |
| decay | The natural process after something has died, such as a plant. |
| sculpture | The art of making statues by carving, modelling or casting |

Children will learn and perform this year's official Nursery Rhymes

Children will be exploring colours and how they can be changed through exploration with a range of media and materials

Performing simple tests and making observations, using senses to explore materials from the natural world.

Festivals we will learn about:

- Diwali
- Bonfire Night
- Remembrance Day
- Christmas

Let's Celebrate!
